

Potential

CHRA[®]

CERTIFIED HUMAN RESOURCES ANALYST

PROGRAM OVERVIEW

The Certified Human Resources Analyst (CHRA) Program trains individuals to broaden the understanding of human resources as business partner. It prepares people to implement and actively adapt the principles and instruments of effective change “How to step from an administrative to an active HR Service Management Approach” in the organization. The Program enables individuals to raise awareness of skills and knowledge needed to successfully execute recruiting, people development and performance management. It also reflects on harmonizing specialized knowledge and interpersonal capabilities to tap the full potential of individuals, stepping from Performance Management to Excellence Management.

“How to manage change successfully and turn it into an opportunity.”

PARTICIPANTS

This Program is designed for individuals from Human Resources units as well as leaders from diverse company and government departments and divisions:

- Human Resources Analysts
- Human Resources Practitioners
- Managers and Executives
- Professionals with demonstrated knowledge, and potential skills and abilities
- Human Resources Business Partners

PROGRAM OBJECTIVES

- Identify new role as HR Business Partner in your organization
- Design and develop an effective recruiting process
- Determine training effectiveness
- Take the next step: from Performance Management to Excellence Management
- Apply various change management models

TRAINING APPROACH

This 3-day Program is an instructor-led, workshop-based environment. The instruction is a blend of lecture, application, individual and team-based exercises. There is additionally 20 hours recommended of self-study to apply knowledge and skills learned in the Program to their daily work and to go through the final written exam at the end of the Program.

CERTIFICATION EXAMINATION

Program success is valid by full attendance as well as the passing grade of 70% or higher in the final Certification Exam, demonstrating that the participant has successfully learned, retained, and can utilize the Program knowledge. The final Certificate is awarded and delivered by the GAFM, UBT, and CEC.

- Different ways of Performance Management
- How to step onto Excellence Management

Benefits and Compensation Policy

- Compensation Management System and the influencing factors
- Job evaluation as part of a “Great Place to Work”

CERTIFICATION EXAM

Learn how to **ESTABLISH** a new understanding of your role and responsibilities while expanding your knowledge and extending individual awareness based on utilizing methods, models and training approaches that focus on organizational and personal development, different types of communication and effective management. Once the knowledge and awareness have been developed the basis has been built up to **CREATE** miscellaneous methods for the measurement of Training Effectiveness and Excellence Management: to increase individual competences and consciously enhance the ability to design effective and cooperative collaboration. The CHRA Program equips you with methods and knowledge to **DEVELOP** Sustainable Change in your organization as you know how to **ESTABLISH, CREATE** and **DEVELOP HR** as Business Partner.

The CHRA Certification is a management tool that is aimed at improving corporate intelligence by shifting roles and challenges to a new level of understanding and awareness. There are different modules within the CHRA Certification Program with focus on reducing stagnancy; it represents a systemic approach for defining the new role of Human Resources Leaders as well as people in head functions to enable them to step onto a new pathway and acquire the competencies to implement the "Future of Human Resources".

ROLF HARTUNG

EXPERT TRAINER

Rolf Hartung is founder of "Rolf Hartung: Talent Management Consulting" and certified as "NLP Master and Trainer DVNLP" & "Coach DVNLP" which focus on Human Change and Communication. As Certified Trainer, he holds a certification as "Project Manager" from the George Washington University, Washington, USA. With over 20 years of experience, he certified other instructors and drove a "Coach the Coach" Program. One of his special features lies within Organizational Development where he designed effective training programs for users across multiple responsibility levels and cultures. It includes the Development of Competency Profiles, Skill Driven Development Programs and the implementation of Premium Skills People Development Programs for different kind of jobs and their levels based on the Lominger Competencies as well as to evaluate training effectiveness.

His training programs and expertise range across a variety of bringing people to the expected competency level or to the next level of possible promotions. An additional asset is his long lasting experience in providing training in and making use of Neuro Linguistic Programming, to create and deliver Leadership & Communication Trainings, in close relation with HR. Most of his professional projects have been concentrated in People Development and Organizational Development accompanied by proven Leadership and People Management Skills Training.

His most recent project has been the setting up of an Academic Program "How to find new talents" where he hired 30-60 new people per year from University worldwide to enable them to participate in a 6-month training program and guide them all along their new jobs.
